Website: <http://fswguild.org/>

The *Fredericksburg Spinners and Weavers Guild* was organized in 1982 to provide an atmosphere and a place where persons interested in weaving, spinning, knitting and other fiber arts may gather, share, and both teach and promote the knowledge and use of these arts in the area.

A monthly meeting, with stimulating programs...workshops...a newsletter...a studio...a library...rental looms and other equipment...access to special catalogues for yarns and other materials are included in the benefits of membership with annual dues of \$30 for those living in the area and \$15 for out of state.

Members of the Guild participate at various fairs, and take part in demonstrations at local schools and other area events in the world of fibers. The Guild meets on the second Saturday of each month at the studio located at LibertyTown Arts Workshop.

FSWG is a part of the LibertyTown Arts Workshop ([www.libertytownarts.com](http://www.libertytownarts.com)). For further information, please email the membership coordinator, Judy Klehm, at [jwklehm@gmail.com](mailto:jwklehm@gmail.com).
